

**CORRECTION**

## Adhesive pad differentiation in *Drosophila melanogaster* depends on the Polycomb group gene *Su(z)2*

**Mirko Hüsken, Kim Hufnagel, Katharina Mende, Esther Appel, Heiko Meyer, Henrik Peisker, Markus Tögel, Shuoshuo Wang, Jonas Wolff, Stanislav N. Gorb and Achim Paululat**

There was an error published in *J. Exp. Biol.* **218**, 1159-1165.

Two of the author names were incorrect. The correct author names are: Henrik Peisker and Stanislav N. Gorb. This has now been corrected in the online full-text and PDF versions.

We apologise for any inconvenience this may have caused.
