

The gaits of primates: center of mass mechanics in walking, cantering and galloping ring-tailed lemurs, *Lemur catta*

Matthew C. O'Neill and Daniel Schmitt

10.1242/jeb.074500

There was an error published in *J. Exp. Biol.* **215**, 1728-1739.

In Eqn 8 (p. 1730), the minus sign should be a plus sign. The correct version is given below.

$$s_h = S_{i,h} + \int v_h dt \quad (8)$$
